

The Accel Webinar Training series continues with...

Accel Educational Resources

Who should attend?

- All credit union staff who want to learn about the various financial education resources available through the Accel website including workbooks, calculators, videos, and articles as well as BudgetSmart and CheckRight

What will be covered?

- Education topics that Accel counselors can discuss with members
- Review of resources available on the Accel website including videos, articles, workshop booklets and more
- Demonstrations of how to use BudgetSmart and CheckRight
- How to use the resources to educate your members

How do you enroll?

- Contact your Partner Relations Specialist and let them know that you have staff who will attend
- We will send an email announcing the event with login instructions
- You will forward the email along to those in your credit union who will attend
- When the staff member logs in the day of the session, they enter their name and email address
