

## The Accel Webinar Training series continues with...

### A Guide to Accel Services

#### Who should attend?

- Staff members who have had the Accel training and need a refresher
- New staff members who haven't been trained on Accel

#### What will be covered?

- Services provided by Accel
- Members to refer to Accel
- How to refer members to Accel
- Why working with Accel is a benefit to members and staff members alike

#### How do you enroll?

- Contact your Partner Relations Specialist and let them know that you have staff who will attend
- We will send an email announcing the event with login instructions
- You will forward the email along to those in your credit union who will attend
- When the staff member logs in the day of the session, they will enter their name and contact information
